Welcome

2024

TIBC ANNUAL PICNIC DAY

HELP US KEEP
 THESE
 FACILITIES

Annual
 membership
 subscription
\$75

The launching ramps, wharves and swimming pontoons in Tennyson Inlet are owned and maintained by the Tennyson Inlet Boat Club. The current structures are ageing and will (in future) need replacing. They could also suffer major damage from a weather event. We are unable to insure the structures as the cost of this is over our annual income. **We need to ensure the club has sufficient funds to be able to replace these.** Full replacement of one of the wharves could cost over \$500K - we are a long way from having these funds and rely on donations and membership subscriptions for our only income. If you use these facilities regularly please consider joining as a member. If you are already a member - please help us spread the word!
